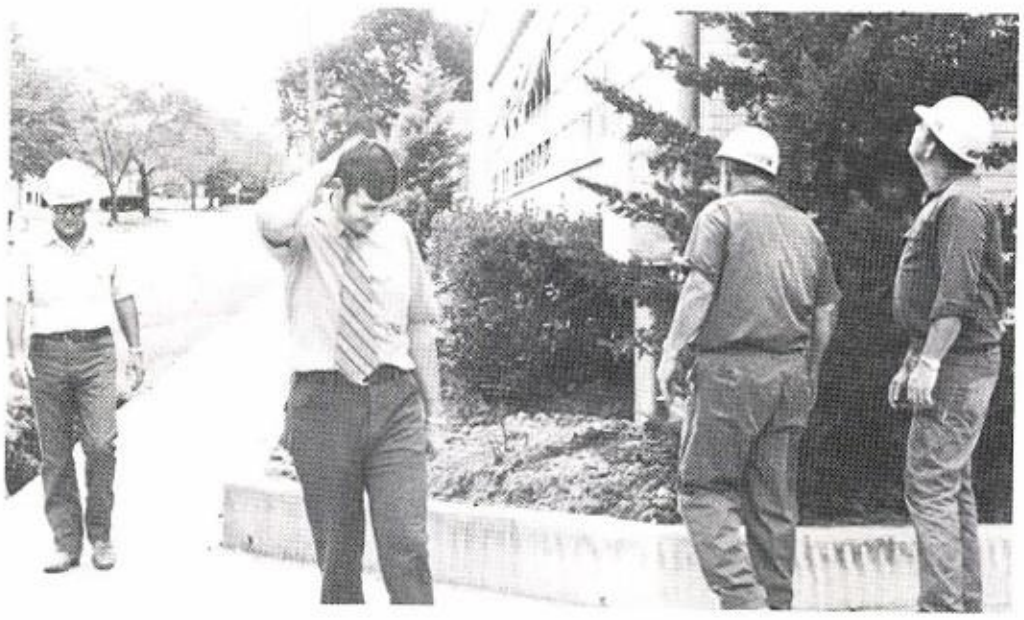
James Harrod
Superintendent

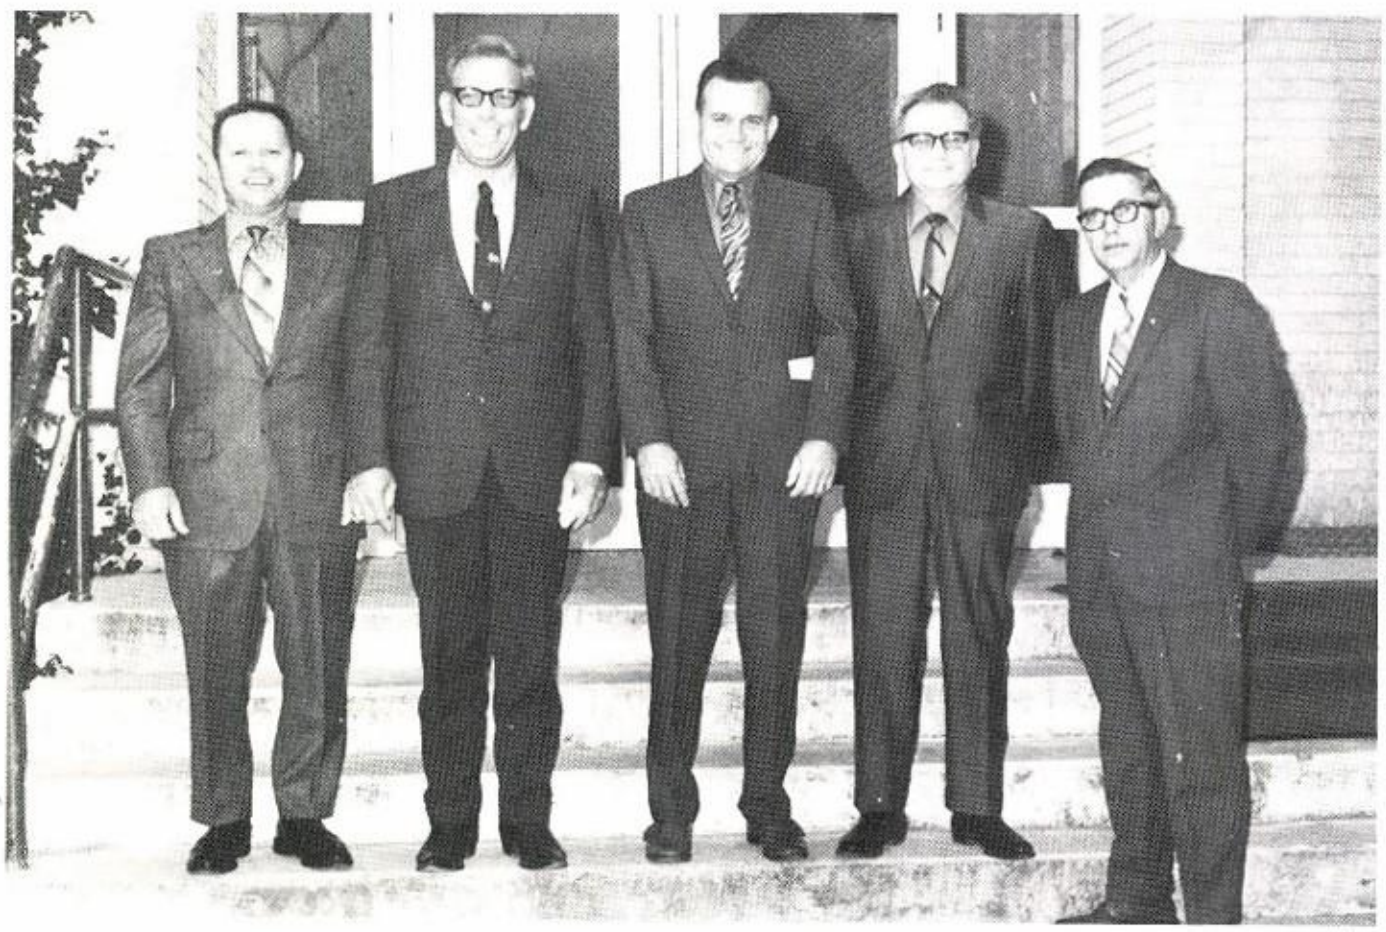
Mr. Harrod, as superintendent of Healdton Public Schools, has the responsibility of making sure that all of the students' educational needs are fulfilled, in the best possible ways. Although he heads the school system, he still has to answer to someone--the duly elected board of education.

Mr. Harrod is by necessity a business man, an educator, and a citizen with a civic duty. He does not just sit in his office all the time. He has many outside responsibilities, such as speaking to civic groups, attending a board meeting, meeting with other educators, or meeting with the Chamber of Commerce.

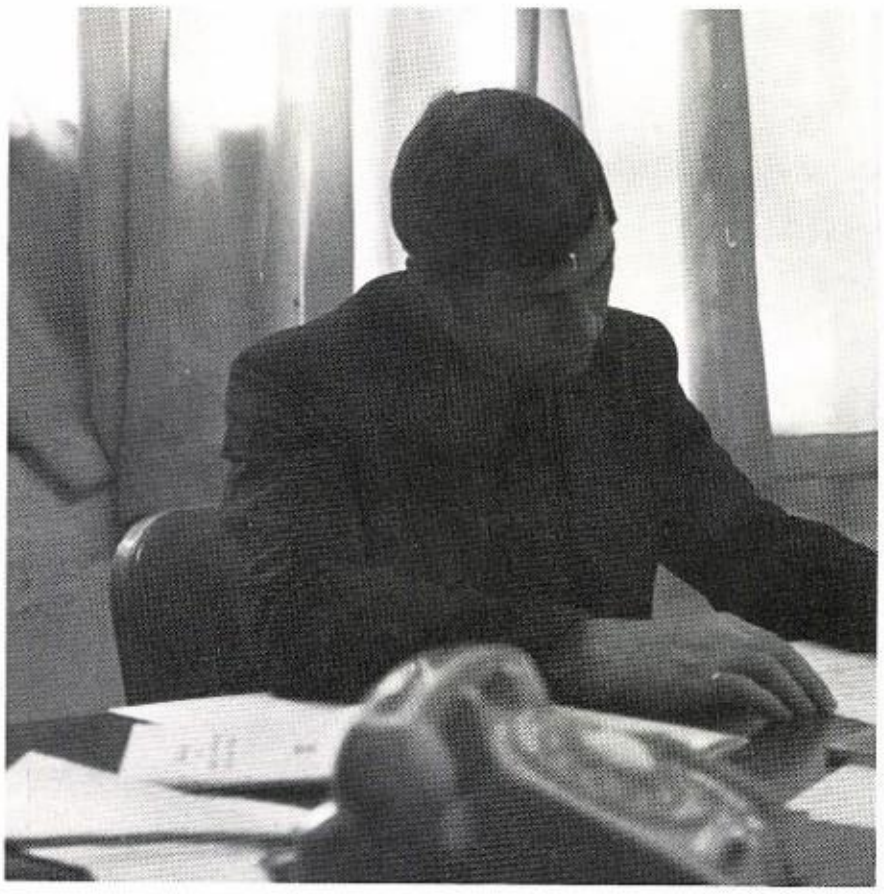
Mr. Harrod is a good example of the many and varied qualities needed by any public official.



Mr. Harrod keeps busy all day, many times faced with a problem.

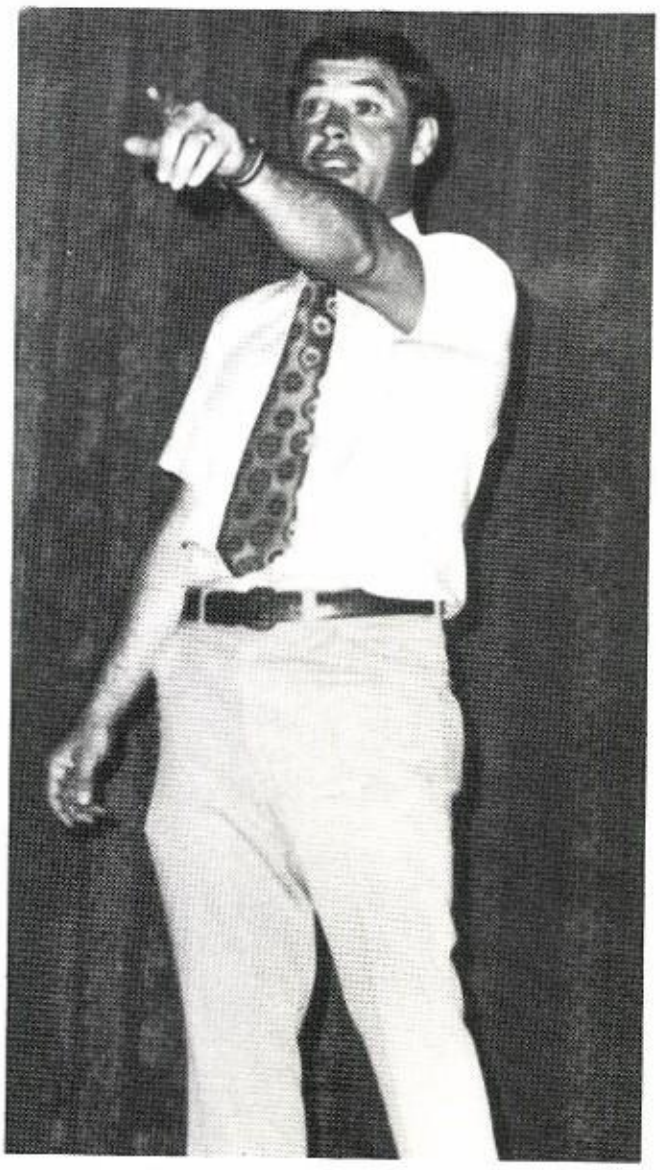


Members of the board of education are: Bob Treadwell--Vice-President, Bob Miller--President, Bob Wilson--member, Jerry Smith--Clerk, and Harold Dickinson--member.

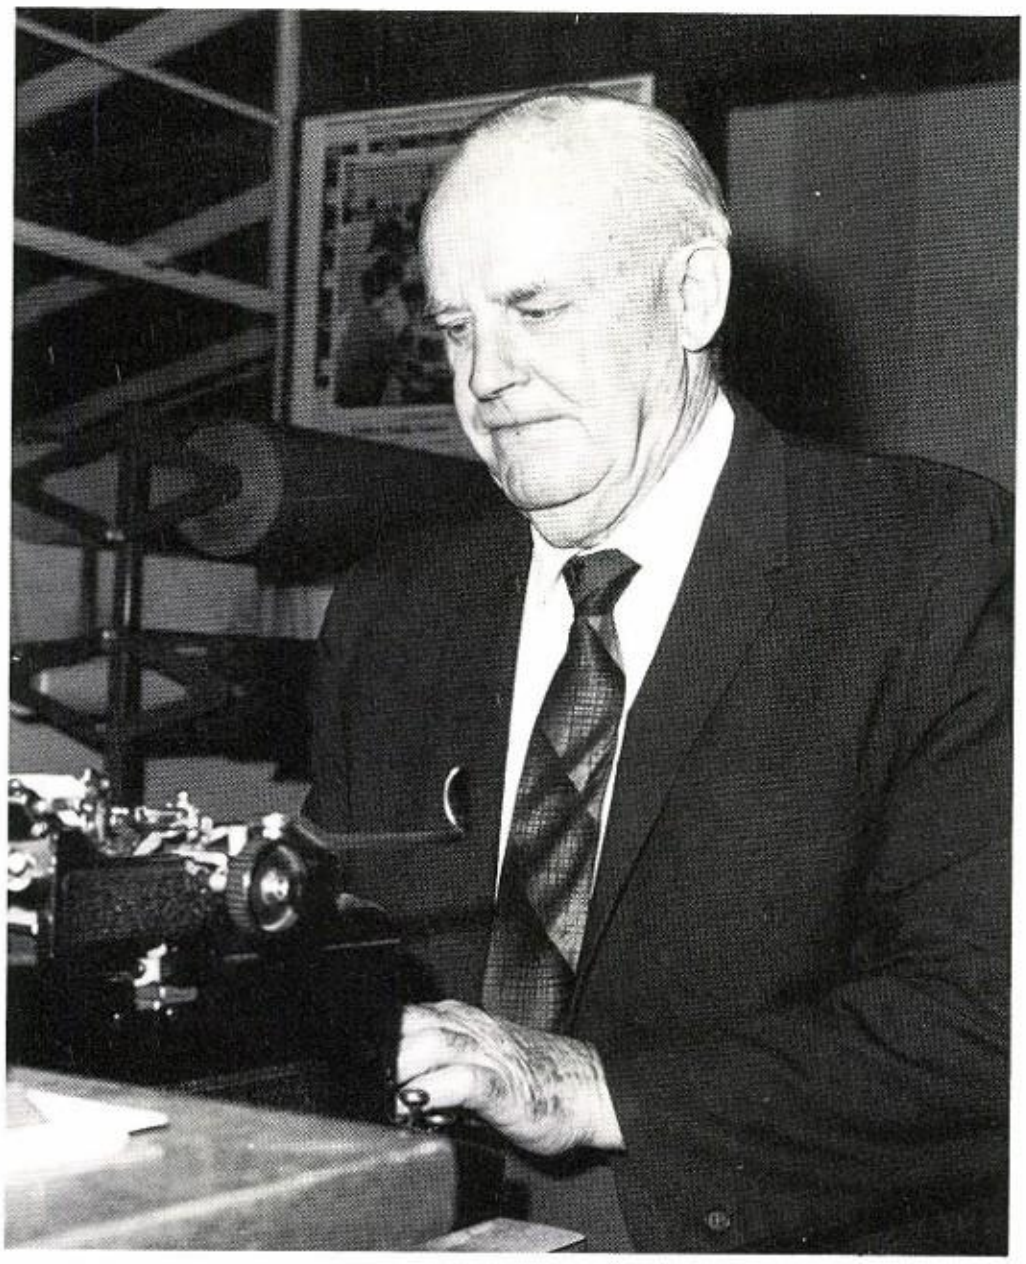


W.O. (Doe) Clinton
High School Principal

Mr. Clinton knows that being the disciplinarian and the enforcer of rules and regulations for Healdton High School is not always an easy job, as he has many varied activities throughout the day. He also sets up the curriculum, shedules all school events, coordinates the faculty, and keeps student records. As if this wouldn't keep anyone busy, Mr. Clinton also squeezes sponsoring the Student Council and the Golf team into his schedule.



Mr. Clinton gets very involved in all activities at H.H.S., including the slave auction.



Bill Vandiver
Grade School Principal

Although Mr. Vandiver is retiring this year, he will long be remembered by all of us as a friend and great man. He has not only been principal, but also medical advisor and coach of basketball, track, and football at Sunset.
